

# The most spectacular view you'll ever see!

Are you ready for a unique sightseeing opportunity with breathtaking views of the Falls and beyond?

Then head on down to Clifton Hill and take a ride on Canada's largest observation wheel, the Niagara SkyWheel. Towering 175 feet (53 metres) over the Niagara Falls horizon, the Niagara SkyWheel is the newest, most exciting way to see Niagara Falls. From this vantage point you will be treated to memorable views of the Horseshoe and American Falls, the Niagara River, Niagara Parks and other landmarks.

The Niagara SkyWheel is a world-class ride featuring fully enclosed gondolas, each equipped with heating and air conditioning for year-round comfort and enjoyment.

The ride duration varies from 8 to 12 minutes with spectacular aerial views for miles in every direction. Evening rides offer dazzling views of the glittering lights of Clifton Hill, the illuminated Falls, and the surrounding Niagara skyline.

The Niagara SkyWheel is located on Clifton Hill and is open year round. Call 905.358.4793 for hours of operation, ticket prices and group booking details.
